WORK EXPERIENCE

Argo Group Insurance **Chicago, IL**

Talent Acquisition Partner *October 2025 – Present*

- Built and operationalized a new in-house recruiting function following organizational restructuring, designing intake workflows, recruiter playbooks, and hiring manager processes during 50%+ workforce turnover.
- Standardized enterprise hiring operations by developing job intake frameworks adopted across the TA team and hiring managers, improving recruiting efficiency by approximately 25%.
- Managed full-cycle recruitment across temporary and full-time insurance roles during large-scale return-to-office attrition, maintaining hiring continuity across critical business functions.
- Optimized external vendor partnerships by onboarding staffing partners, implementing performance metrics, and improving fulfillment efficiency by 30%.
- Delivered workforce planning insights, compensation benchmarking, and candidate pipeline visibility to leadership teams to improve hiring decisions during organizational restructuring.

QBE **Chicago, IL**

Promoted across 3 talent acquisition roles while expanding scope across enterprise hiring strategy, workforce planning, and HR partnership

Talent Acquisition Manager & HR Business Partner *July 2023 – October 2024*

- Helped build QBE's internal recruiting function from the ground up after replacing an underperforming third-party recruiting model, creating recruiter playbooks, hiring workflows, and operational processes.
- Designed talent acquisition strategy for a newly launched commercial and specialty lines division, hiring 30 underwriters in 6 months to support enterprise expansion goals.
- Reduced average time-to-fill from 60 to 49 days by improving sourcing strategy, pipeline development, and recruiting process efficiency.
- Built a pipeline of 500+ qualified candidates, reducing external agency spend by $300K annually.
- Improved offer acceptance outcomes and saved $100K in renegotiation costs through compensation strategy and candidate experience improvements.

Talent Acquisition Business Partner *May 2022 – July 2023*

- Designed and executed data-driven strategies that reduced average time-to-fill from 60 to 49 days, leading to more efficient hiring across multiple departments.
- Built a talent pipeline of 500+ qualified candidates, ensuring proactive hiring for critical roles and reducing external agency spend by $300K annually.
- Enhanced the candidate experience, improving offer acceptance rates by securing competitive offer structures that saved the company $100K in renegotiation costs.
- Negotiated contracts with 10+ external recruiting agencies, reducing agency spend by 15% while maintaining a 98% fulfillment rate for niche roles.

Senior Recruiter *January 2021 – May 2022*

- Managed full-cycle recruitment for 100+ roles while maintaining a 90% offer acceptance rate across key business functions.
- Improved first-year retention of new hires by 15% by implementing stronger sourcing and screening strategies.
- Increased direct applications by 25% through employer branding initiatives, reducing dependency on third-party job boards.
- Increased diverse hiring by 40% through partnerships with HBCUs and professional organizations.

The Jacobson Group **Chicago, IL**

Executive Recruiter – Executive Search *April 2019 – June 2020*

- Delivered 30+ executive placements averaging $250K in compensation, generating over $7.5M in executive-level placements.
- Conducted 200+ executive interviews, reducing average time-to-fill by 15 days for senior-level roles.

- Improved recruiter efficiency by saving 7+ hours weekly through Bullhorn ATS optimization and workflow automation.

Carrington & Carrington **Chicago, IL**
Executive Search Consultant *May 2017 – April 2019*

- Implemented ATS infrastructure that standardized candidate workflows and reduced manual processing by 25%.
- Reduced time-to-placement by 30% by automating sourcing workflows and reporting through Bullhorn CRM.
- Increased client retention and generated $500K+ in repeat business through customized candidate assessments and search strategies.
- Achieved 30%+ diversity slate composition by embedding inclusive sourcing strategies across executive searches.
