PROFESSIONAL SUMMARY

Data-driven SEO Strategist & Computer Engineer with 4+ years of experience orchestrating organic growth through technical optimization and high-authority link building. Proven track record of increasing organic traffic by 35% and managing end-to-end SEO lifecycles for 15+ international clients. Expert in navigating 2026 search landscapes, including Generative Engine Optimization (GEO) and User Intent mapping, utilizing industry-leading tools like Ahrefs, SEMrush, and Screaming Frog to deliver measurable ROI.

WORK EXPERIENCE

Gyrus Technology **Surat,Gujarat**
SEO Executive *02/2023 – 12/2023*

- **Directed** a comprehensive in-house SEO and **GEO (Generative Engine Optimization)** strategy that boosted domain authority by **60%** through the acquisition of backlinks across 100+ high-tier domains.
- **Engineered** targeted **outreach and digital PR pipelines**, resulting in a consistent **35%** month-over-month growth in organic traffic and brand visibility.
- **Established** a competitive gap analysis framework to identify high-intent keyword opportunities, capturing **25+** new ranking positions for "Money" keywords.
- **Optimized** site architecture and **User Experience (UX)** signals to reduce bounce rates by **21%**, ensuring site performance met 2026 Core Web Vitals standards.
- **Cultivated** a diverse portfolio of 100+ backlink sources including guest posts and local listings to insulate the domain against search engine algorithm volatility.

Zestard Technologies **Ahmedabad,Gujarat**
SEO Executive *05/2021 – 01/2023*

- **Accelerated** organic website traffic by 35% within 12 months by architecting a high-quality link-building engine and **Content SEO** syndication strategy.
- **Orchestrated** international outreach campaigns and vendor partnerships, securing 200+ backlinks and strengthening global search visibility across target markets.
- **Formulated** monthly **Data Storytelling** reports for international clients, translating complex **Google Analytics** metrics into actionable ROI-focused insights.
- **Executed** technical Schema Markup and structured data audits to enhance Rich Snippet visibility, effectively maximizing search result real estate and driving organic click-through rates.
- **Collaborated** with cross-functional content teams to develop a guest posting pipeline that consistently expanded referral traffic channels and strengthened brand authority.

Tatvasoft (Sparsh) **Ahmedabad, Gujarat**
Jr. SEO Executive *08/2019 – 04/2021*

- **Surpassed** ranking targets for 15+ client websites, successfully securing Top 10 positions for primary keywords through advanced On-Page and technical optimization.
- **Directed** influencer outreach and guest post campaigns, successfully expanding the referral domain network and elevating overall site trustworthiness.
- **Revitalized** online reputation and social media signals for clients, consistently driving positive brand mentions and elevating user engagement.
- **Identified** and reconstructed broken link opportunities across high-authority domains, reclaiming valuable search equity and restoring referral path traffic to key landing pages.
- **Managed** end-to-end blog publishing workflows, ensuring all content was optimized for **User Intent** and keyword density to drive **55%** more qualified leads.

Dunkin' Donuts, Food Lion, Walmart **Middletown, Delaware**
Team Member *2024-Present*

- **Managed** high-volume cash and POS transactions with 100% accuracy within fast-paced U.S. retail environments.
- **Resolved** complex customer inquiries and technical product questions in the Electronics Department, maintaining a 4.5% positive feedback rating.

PROJECT EXPERIENCE
