WORK EXPERIENCE

Cats-Net Ltd Tanzania **Toronto, ON (Remote)**

Finance Manager *Jul 2024 – Present*

Financial Planning & Analysis (FP&A)

- Improved forecasting accuracy by 15% by building structured forecasting models and conducting variance analysis across revenue and cost drivers.
- Strengthened financial planning processes by leading annual budgeting and long-range planning, aligning forecasts with executive and board-level strategy.

Financial Modeling & Profitability Analysis

- Evaluated profitability across 10+ projects, increasing cost efficiency by delivering financial models and scenario planning insights for leadership decisions.
- Enhanced revenue visibility for $70K+ monthly operations by developing KPI dashboards and standardized financial reporting frameworks.

Process Optimization & Systems (ERP/RPA)

- Reduced billing errors by 90% and processing time by 40% by digitizing finance operations and implementing automated recurring billing systems.
- Decreased report generation time by 60% by integrating RPA solutions into reporting workflows and improving financial data pipelines.

Revenue & Audit Management

- Identified 30+ unregistered clients, reducing revenue leakage by 20% by conducting internal audits and reconciling financial discrepancies.
- Managed financial operations for 500+ corporate clients, ensuring accurate reporting and strengthening collections processes for aged receivables.

Leadership & Cross-Functional Partnership

- Directed finance operations across international teams, maintaining real-time oversight across time zones and improving reporting consistency.
- Partnered with operations and executive leadership to deliver financial insights that improved decision-making efficiency across departments.

Cyclone & M.A Properties **Tanzania**

Accountant *Jan 2023 – Mar 2024*

- Prepared financial statements and audit documentation for a $30M+ real estate portfolio, ensuring full regulatory compliance by liaising with auditors and supporting end-to-end audit processes.
- Supported budgeting and cost tracking across 5+ development projects, improving financial control by monitoring expenditures and aligning with regulatory requirements.
- Managed financial operations for 50+ corporate clients, improving revenue consistency by overseeing tenancy lifecycle, rent collection, and financial follow-ups.

Dina International Ltd. **Leicester, United Kingdom**

Accountant *Mar 2024 – May 2024*

- Processed 40+ invoices daily, improving accounts payable accuracy and payment timeliness through structured reconciliation processes; recovered £25,000 in overdue receivables by analyzing aging reports and executing targeted collection strategies.

TSL Technologies Ltd. **Tanzania**

Accountant *Jan 2021 – Jul 2022*

- Completed reconciliations and VAT filings with 100% compliance across 5 warehouses.
- Improved inventory accuracy by 15% through financial audits and system alignment.
